**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

SONIC will provide an option for those looking for "best bang for bucks". Having competitive choices can only help to make all products the very best they can be. I was ready to switch to Sonic as their service provides value for my money. However, Sonic was blocked from installation in my area. That is not in the best interests of consumers nor is it fair competition.
